Eastern White Cedar

# Shingles

## Limited Solid Color Finish Warranty, One-Coat Application
## **maibec®** Factory-Stained Eastern White Cedar Shingles – Innoplex™ Finish Transferable 10-Year Warranty

USA Only – This warranty is not applicable in Canada

WARRANTY 10 YEARS on solid stain one coat

1. Subject to the terms and conditions of this warranty, maibec inc. warrants the solid stain on the product **(one (1) solid color factory coat)** against peeling, blistering and cracking due to normal weathering for a period of **ten (10) years** from the date of purchase. This warranty is void should the product be immersed in water or come into direct contact with the ground or adjacent horizontal structures (ex.: decks) or if the maintenance requirements* are not followed. This warranty does not cover any other damages other than those previously noted such as defects due to (a) careless handling or improper storage; (b) repairs and/or altering; (c) touch-up misapplication; structural movement of the material and/or structure to which the product is installed; (d) acts of God such as but not limited to, hurricanes, tornadoes, floods, earthquakes, extreme hailing; (e) growth of mold and/or mildews or any other biological agent on any surface of the shingles. Fading and discoloration caused by normal wear and exposure to the elements are naturally occurring phenomena and do not constitute a product defect, and therefore are not covered under this warranty. maibec inc. reserves the right to void all warranties if the installation requirements** are not respected. The requirements are found in the product box or on the maibec® website. This warranty is still applicable if additional coats of a maibec approved stain (contact maibec or see website) is applied on site. A proof of purchase of the applied stain will be required for any claim in such situation. The on-site application must respect the stain manufacturer's requirements.

2. For the first **ten (10) years** after the date of purchase, maibec inc., shall supply a sufficient amount of stain to retouch the damaged surfaces. maibec inc. reserves the right to inspect the product prior to any repairs, and to confirm that it displays one of the defects covered by this warranty. maibec inc. does not provide any other warranty for the stain. This warranty specifically excludes any other damage, of whatever nature, including the cost of labor if necessary.

3. The covered person must contact maibec inc. within thirty (30) days following the discovery of any product failure or defect covered by this warranty. The claimant is responsible for providing the information and supporting documents needed by maibec inc. to investigate the claim. Any product found to be unsatisfactory prior to installation, for any reason, must not be installed and should be returned to the dealer where it was purchased for replacement. Installation of the product constitutes full and complete acceptance by the client and the warrantor will not be responsible, in any way, for labor or material if a defective or non-standard product is installed. The warrantor shall not be liable for any consequential or special damages, or for other expenses (building paper, sheathing, fasteners, caulking, etc.) which may arise in connection with this warranty.

4. In purchasing product, the purchaser accepts the terms and conditions of this warranty, which replaces any other representation, warranty or condition, explicit or implicit, statutory or other. The terms of this warranty are automatically transferable to the subsequent purchaser of the residential or commercial building upon which the product has been installed. Any claim under this warranty by the purchaser or subsequent owner, as the case may be, must be made in writing within the period covered by the warranty and must include the original invoice for the product.

5. Any resolution between maibec inc. and the covered person regarding the refund, material replacement or corrective action constitutes a full settlement and release of all claims.
