

Ventilated Starter Strip

FINISH	ACTUAL DIMENSIONS	LENGTH
Galvanized steel	3/4" x 2"	10'

General Specifications

Galvanized steel ventilated strip. Open at 50%, the perforated pattern ensures proper ventilation and drainage of the wall while preventing rodents and certain insects from getting in behind the siding.

Use it to easily level the starter course and give the right starting angle to the Maibec Resistech™ engineered siding.

PACKAGING

- Piece of 10 ft

For exterior use only.
