1. Subject to the terms and conditions of this warranty for Solid Stain Two-Coat Factory Application, Maibec inc. warrants the stain against peeling, blistering and cracking due to normal weathering for a period of **ten (10) years or eight (8) years** in Coastal regions†, from the date of purchase. This warranty shall be void if the product is immersed in water or comes into direct contact with the ground or adjacent horizontal structures (ex.: decks) or if the minimal maintenance requirements\* are not followed. This warranty does not cover any other damages other than those previously noted such as, but not limited to, damage due to (a) improper handling, installation or storage; (b) repairs and/or altering of the product; (c) touch-up misapplication; (d) movement of the structure to which the product is installed; (e) acts of God such as, but not limited to, hurricanes, tornadoes, floods, earthquakes, and sleet and hail; (f) growth of mold and/or mildews or any other biological agent on any surface of the product. Fading and discoloration caused by normal wear and exposure to the elements are naturally occurring phenomena and do not constitute a product defect, and therefore are not covered under this warranty. Maibec inc. reserves the right to void all warranties on this product if the installation requirements\*\* are not respected. The requirements can be found in the product bundle or in full detail on the Maibec® website at maibec.com/us.
2. For the first **three (3) years** after the date of purchase, Maibec inc., at its sole discretion, shall reimburse either the purchaser or the subsequent owner of the building, as the case may be, for the cost of a sufficient amount of stain and the labor if needed to retouch the damaged surfaces, or shall supply the necessary stain and labor. During the seven (7) remaining years of the warranty (five (5) in Coastal regions), Maibec inc., at its sole discretion, shall only supply a sufficient amount of stain to retouch the damaged surfaces. Maibec inc. reserves the right to inspect the product prior to any repairs, and to confirm that the stain displays one of the defects covered by this warranty. Maibec inc. does not provide any other warranty for the stain. This warranty specifically excludes any other damage, of whatever nature, including the cost of labor if necessary (except for the first three (3) years as mentioned above) installation or reinstallation costs and other direct or indirect damage, real or anticipated, present or future.
3. The covered person must contact Maibec inc. within thirty (30) days following the discovery of any product failure or defect covered by this warranty. The claimant is responsible for providing the information and supporting documents needed by Maibec inc. to investigate the claim. Any product found to be unsatisfactory prior to installation, for any reason, must not be installed and should be returned to the dealer where it was purchased for replacement. Installation of the product constitutes full and complete acceptance by the client and the warrantor will not be responsible, in any way, for labor or material if a defective or non-standard product is installed. The warrantor shall not be liable for any consequential or special damages, or for other expenses (building paper, sheathing, fasteners, caulking, etc.) which may arise in connection with this warranty.
4. In purchasing product, the purchaser accepts the terms and conditions of this warranty, which replaces any other representation, warranty or condition, explicit or implicit, statutory or other. The terms of this warranty are automatically transferable to the subsequent purchaser of the residential or commercial building upon which the product has been installed. Any claim under this warranty by the purchaser or subsequent owner, as the case may be, must be made in writing within the period covered by the warranty and must include the original invoice for the product.
