General Specifications

SUBSTRATE

- LP SmartSide®

MANUFACTURING

- Treated engineered siding strand substrate;
- Available in a textured and smooth finishes (smooth finish only for 4", 6" and 8").

PACKAGING

- 16' lengths in bundles.

AVAILABLE COLORS

- Maibec solid stain color chart (textured and smooth)
- Maibec Resistech™ Natural tones (textured)
- Elite Extra solid paint. Unlimited choice of solid colors, with our TrueMatch® system (textured and smooth)

FACTORY-STAINING

- Trim is factory-coated in a controlled environment for maximum paint absorption and retention. This also provides increased protection from the damaging effects of the sun and the elements.
